

Brandon Nguyen

281-701-1664 | brandonguyen@live.com | Houston, Texas

Recent graduate with a Bachelor of Applied Technology in Cybersecurity and a strong foundation in network security, risk management, and incident response. Proven ability to lead teams, manage operations, and drive efficiency through process improvement. Demonstrates a strong ability to learn, adapt, and contribute to team success.

EDUCATION

Lone Star College – Cy-Fair	Fall 2024
Bachelor of Applied Technology in Cybersecurity	
• Relevant Coursework: Network Security, Ethical Hacking, Risk Management, Incident Response, Intrusion Analysis/Response, Emerging Threats and Defenses	
Lone Star College – Tomball	Spring 2018
Associate of Applied Science in Electrical Technology	

CERTIFICATIONS

- **Achieved:** CompTIA Security+, UST Class A/B/C Certification, Electrical Certificate I & II, Tire Industry Association (TIA) Certification

TECHNICAL SKILLS

- **Networking & Security:** Cisco CCNA Fundamentals, Wireshark, Kali Linux, Metasploit
- **Systems & Compliance:** Familiar with: Active Directory, NIST SP 800-53
- **Tools & Platforms:** Python, AS400, Ubiquiti Unifi
- **Soft Skills:** Leadership, Risk Management, Process Optimization, Regulatory Compliance

PROJECTS

Home Network Design

- Designed and implemented a secure home network using Ubiquiti Unifi, optimizing performance, segmenting traffic, and ensuring strong wireless coverage

Penetration Testing

- Deployed Metasploitable3 as a target and used Kali Linux to conduct a full penetration test
- Developed a reverse TCP payload via a Python HTTP server to exploit system vulnerabilities

Emerging Threats Risk Assessment

- Developed a detailed risk assessment for a fictional university implementing a new “Pay by ID” program

Cybersecurity Policy Development

- Authored a security policy document for a fictional company in accordance with NIST SP 800-53 standards, covering access control, incident response, and system maintenance

EXPERIENCE

Costco Wholesale | Houston, Texas

Major Sales Associate	2022 –
Present	
<ul style="list-style-type: none"> ● Setup, operate, and maintain major electronics including laptops, PCs, and TVs ● Diagnosed and resolves issues in electronic systems and components ● Designed and maintain the digital feed that is broadcast across the warehouse through a series of signal repeaters using POE technology 	
Supervisor	2020 – 2022
<ul style="list-style-type: none"> ● Supervised daily operations for a team of five to ensure member safety and operational efficiency ● Maintained documents, records, and certifications to ensure compliance with state and local environmental regulations ● Developed and implemented processes to enhance safety and streamline operations, resulting in a 124% increase in sales during COVID-19 	
Tire Center Lead	2018 – 2020
<ul style="list-style-type: none"> ● Managed a team of ten in a fast-paced, high-volume service environment, emphasizing leadership, task delegation, and team coordination ● Enforced safety protocols through structured inspection and documentation 	
Tire Installer	2016 – 2018
<ul style="list-style-type: none"> ● Provided responsive, solution-focused service to members, demonstrating strong communication skills and the ability to troubleshoot issues effectively ● Maintained and operated specialized equipment with strict adherence to safety protocols and operational procedures 	
Front-End Assistant	2013 – 2016
<ul style="list-style-type: none"> ● Delivered exceptional front-line service while adapting quickly to support multiple departments ● Demonstrated strong attention to detail while handling transactions with accuracy and efficiency
